Gentlemen:

Last spring when the cold weather was about over for last winter, I happened across your advertisment for the ELECTRO MAT in a trade journal, the name of which escapes me.

We would like three of them sent to us as soon as possible. However, we cannot enclose a check or money order, nor can we accept COD packages because all our bills must go through the Court House for payment. If you will send us an invoice, in duplicate, with the original notarized, I assure you the bill will be paid at the first board meeting after the arrival of the mats.

Yours very truly,

Elizabeth B. Hage
